

Global Manufacturing Strut Accessories - Gold Post Base Connector 10 Holes

Features

Our Global Manufacturing Post Base connectors are designed to securely connect metal framing channels at a 90 degree angle with the floor. They are made with 12-Gauge metal for strength/reinforcement and are electro-galvanized for added durability. This particular connector is sized at 6" x 6" x 3-1/2" and features 10 holes for support.
