

# Global Manufacturing Strut Accessories - Splice Channel 4 Holes

## Features

Our Global Manufacturing Duplex Corner Angle connectors are designed to marry intersecting perpendicular metal framing channels by connecting at every edge. They are made with 12-Gauge metal for strength/reinforcement and are electro-galvanized for added durability. This particular connector is offered at 7-1/4" x 1-5/8" and 7-1/4" x 13/16"; featuring 4 holes for support.
